

Swift Stou & UTTO Series

High Performance Tractor Oil

PRODUCT DATA SHEET

Product Description

A high-performance multipurpose tractor lubricant formulated with highly refined base oils & advanced additive technology to provide reliable lubrication for transmissions, hydraulic systems, & drivetrains. It is suitable for agricultural & construction equipment operating under severe conditions, helping reduce wet-brake & PTO chatter while ensuring smooth & efficient performance.

Features & Benefits:

- Its versatility makes it suitable for use with a wide variety of Agricultural machinery.
- A multifunctional oil for hydraulic, transmission and wet-brake Systems, and suitable for high-power tractors.
- Excellent protection against rust and corrosion, increases the service life of system components
- Good rust resistance and compatibility with joint materials.
- Excellent thermal and oxidation stability.
- Compatible with clutch materials and elastomers.

Specifications:

Bluenenergy Swift Stou & UTTO Series meets or exceeds following International and Builder specification:

- API GL-4
- Ford WSS-M2C159B/C
- Ford WSS-M2C86B
- Allison C-4
- VOLVO WB 101
- CATERPILLAR TO-2
- John Deere JDM J20C/D
- ZF TE-ML-03E
- ZF TE-ML-05F
- Massey Ferguson M1135
